Cavan,

Thank you for this update. The FRN was denied and will need to be appealed now with the information. Can you confirm Primavera has costs for the 2012 funding year- July 1, 2012 through June 30, 2013-? I want to make sure the request was used before writing an appeal.

Thank you-

Cavan,

Can you please tell me if the Bluewire/Trucom issue was resolved with USAC? I need to file an appeal on behalf of Primavera if Trucom now has a SPIN because their FRN was denied due to the company not having a SPIN at the time of application approval. The tables below reflect what I see in the system, any clarification will be appreciated.

Good Afternoon Cavan-

We were in contact regarding the application for Primavera Technical Learning Center and the E-Rate situation with your company. As USAC could no longer 'hold' the application waiting for your company to get the SPIN/E-Rate fixed, the request for the school using TruCom/Bluewire was denied. Once you have things straightened out with E-Rate, I'm going to file an appeal on behalf of Primavera so they can receive funding for the services used through the year.

Can you please update on the status of your company with E-Rate or provide me with contact information for someone I can speak to regarding the situation?

Thank you in advance.
